# *As Individuals We Were Good . . .*

The early morning rush to school!

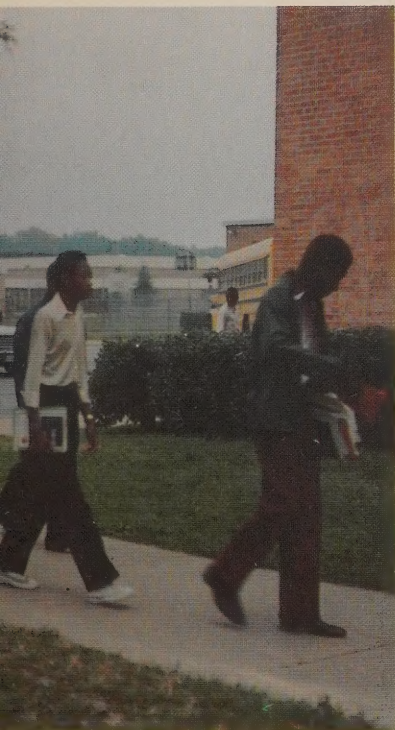

Michelle Pettaway, Cynthia Cole, Faye Charles, Pamela Dark, Shelia Miles and Charlene Gray arrive at school anxious to see what the day will bring.

The morning promenade begins! Students put on the happy face.

*Together We're Better!!*

## *Together We Shared New Experiences*

Students in the Marshall-Walker Complex had many experiences to share. We remember cheerleading practice, combined club activities, and those rare moments when we paused in the halls for a breather on the way to class.

Sandra Maye and Deborah Overton — Co-Captains for the cheering squad.

Estelle and Patsy are hurrying to reach homeroom before the tardy bell rings.

Cheerleaders practice long hours after school.

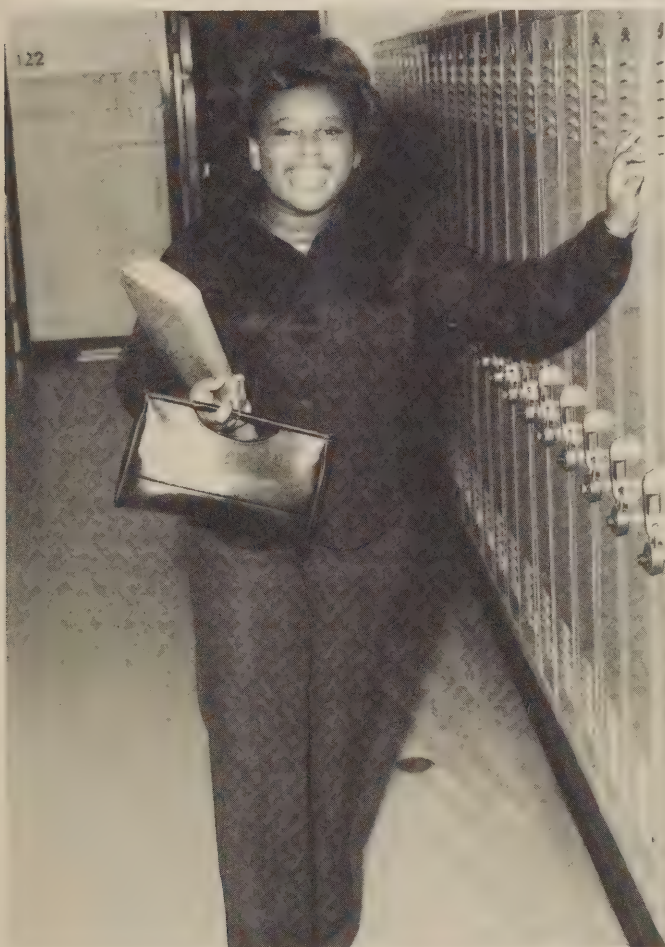

Paula Sellers, Wilma and Mary Apperson look forward to their experiences in the Marshall building.

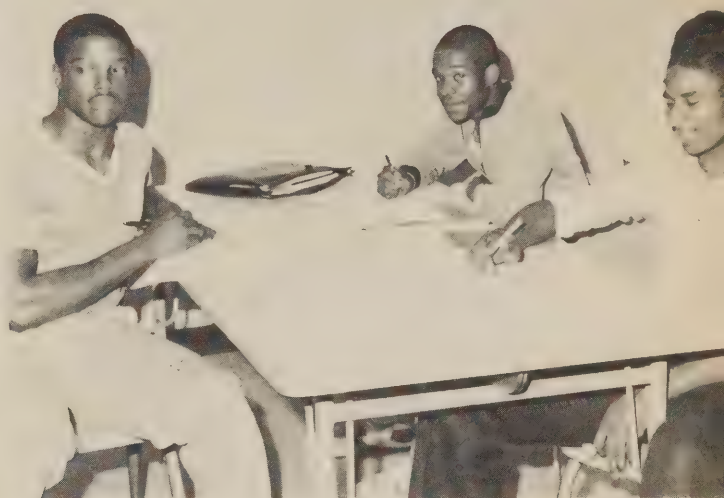

# Made New Friends

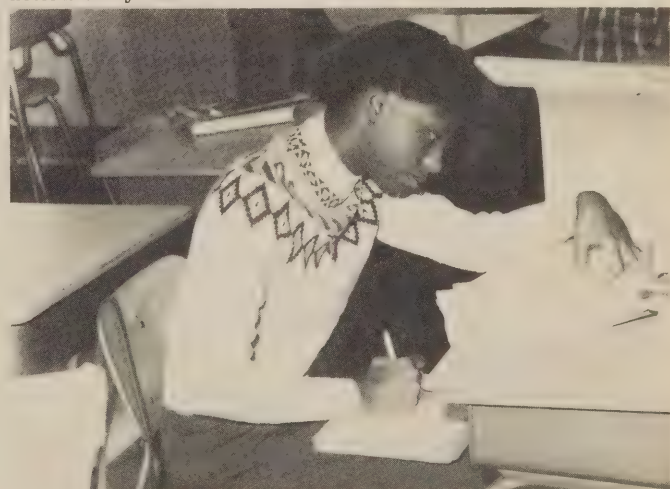

The Cavaliers defend themselves against the "Springers" in a pre-game skit.

Sonia Robinson's smile will brighten anyone's day!!

Raynard Revels, Quinton Ward and Lewis Hackett are looking over their notes in study hall.

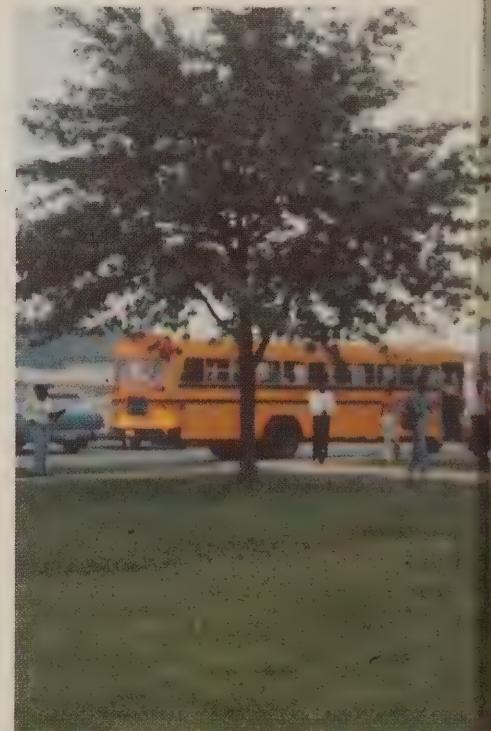

Sharon Carroll is busy preparing her assignment for Government class.

*Long Rides On The  
Buses  
From Walker To  
Marshall —*

Early morning students check in at Walker Building, report to home-room, then on to the Marshall Building for morning classes.

## *Joy That Lingered . . .*

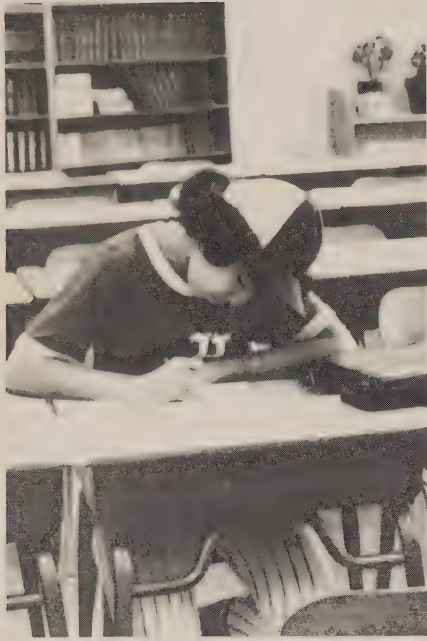

Students in the Marshall Building check in, report to homeroom, then on to the Walker Building for morning classes.

From Marshall to Walker

# *We Questioned Values,*

# *We Determined Our Own*

# Sometimes Confusing

Students spend many hours in the office of the counselors trying to solve the many problems that confront them in school.

Rosa Watkins and Jackie Marable — Well, just happy to be seniors.

Well dressed senior students wait for the installation ceremony to begin as they embark on a new school year.

Herbert Smith, Keith Claiborne, and Ray Wimbish are happy to get to school.

## Often Exciting

Seniors leave the auditorium after the exciting installation ceremony is over.

Students listen attentively to the installation speaker.

Just us girls!

Oh! Those boring classes!

Pamela Dark and Sonia Robinson, along with other students look forward to an exciting day at school.

# *The Way We Are!!*

When Chief Justice John Marshall and Maggie Walker, the first woman bank president, were asked to join hands in holy Plan G matrimony, some said it would never work, but what do they know?

## Marshall-Walker Dominates

Cornerback Lorenzo Robinson prepares to make contact.

Game 2, the Petersburg Crimson Wave found out that they could beat us in August, but in September, it was a different story. Linebacker, Thomas Mosley wasted no time setting the pattern for the night as he threw Petersburg backs for losses on their first three carries. John Wood ran 5 yards and fumbled and Nat Puryear recovered for the touchdowns. Raynard Revels sealed Victory No. 2 with a 15 yd. run for the touchdown.

Thomas Mosley stops opponent single handedly.

Midlothian was next as the Cavaliers posted Victory No. 3. Garnell Stevenson had 212 yds. rushing on 10 carries as the Cavaliers romped to a 25-0 score.

No. 60 Nat Puryear appears to be walking in mid-air.

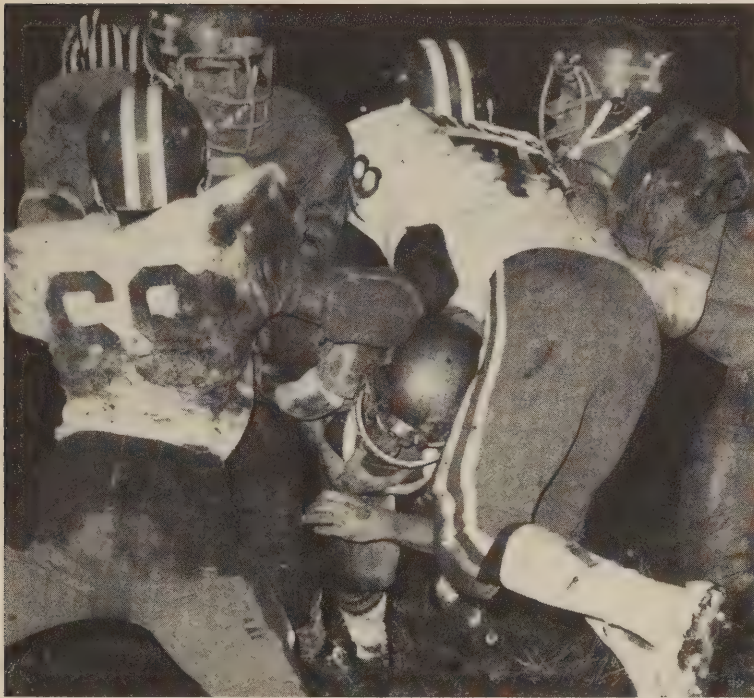

## Central District Football

September 29, the Junior Bowl set up a meeting between Highland Springs and the Cavaliers. With 12,000 on hand the Cavaliers held the Springers to 5 first-downs and 75 yds. rushing, and Sam Grooms had 12 tackles, 7 assists and a crucial fumble recovery and winning the game's MVP Award. CV, Lorenzo Robinson won the game's defensive award and QB Raynard Revels was voted the game's outstanding offensive player as the Cavaliers disposed of opponent No. 4.

Thomas Mosley makes sure tackle as Sam Groom and Malcom Nightengale hurries to assist.

Melvin Young and Malcom Nightengale stop Hopewell in the mud.

Game No. 6 was against Price George. Sam Grooms was named Lineman of the Week for the second time in three weeks while Garnell Stevenson ran for 197 yds. on 12 carries, one being a 97 yd. from scrimmage.

Anthony Miller leads Clyde Williams on 75 yd. punt return for the touchdown.

# The Cavaliers Win

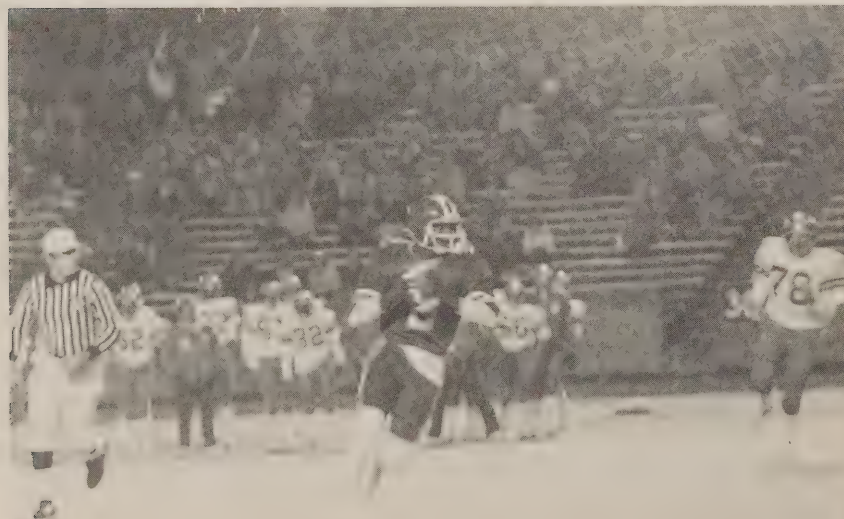

Daryl Barnes dogs opponent's past receiver.

Game No. 8 was Homecoming '79 for the Cavaliers. The foe was Dinwiddie. The Generals were looking for their first post season invitation with a win, but it was all for nothing. The Generals scored on their first play from scrimmage. After the initial shock, Raynard Revels ran 2 yds. for a TD and Clyde Williams made his first of six extra points. Robert "Chubbs" Smith then took control of the game. In an interview, Smith tells what happened at the 2 punt returns that put the game out of reach.

"On the first punt, we set up a wedge to our sideline and it just happened that the ball hit behind the wall of blockers and took a good bounce up in the air. I couldn't see anything but the goal line. The kicker was the only guy left and Dwayne Scott screened him out."

Magic Man, Robert Smith, does vanishing act against Dinwiddie as he returned punts for 67 and 51 yds. for TD's.

With the starting back field out, Coach Anderson used reserves John Coleman and John Wood. On the first play from scrimmage, Coleman ran 51 yards for a score and the Cavaliers posted a 44-0 win.

Raynard Revels shows his ALL-METRO form.

## Football Championship

The last regular season game was with Thomas Dale. The Cavaliers' John Wood ran for 165 yards and 2 touchdowns as the Cavaliers shut out the Knights 28-0.

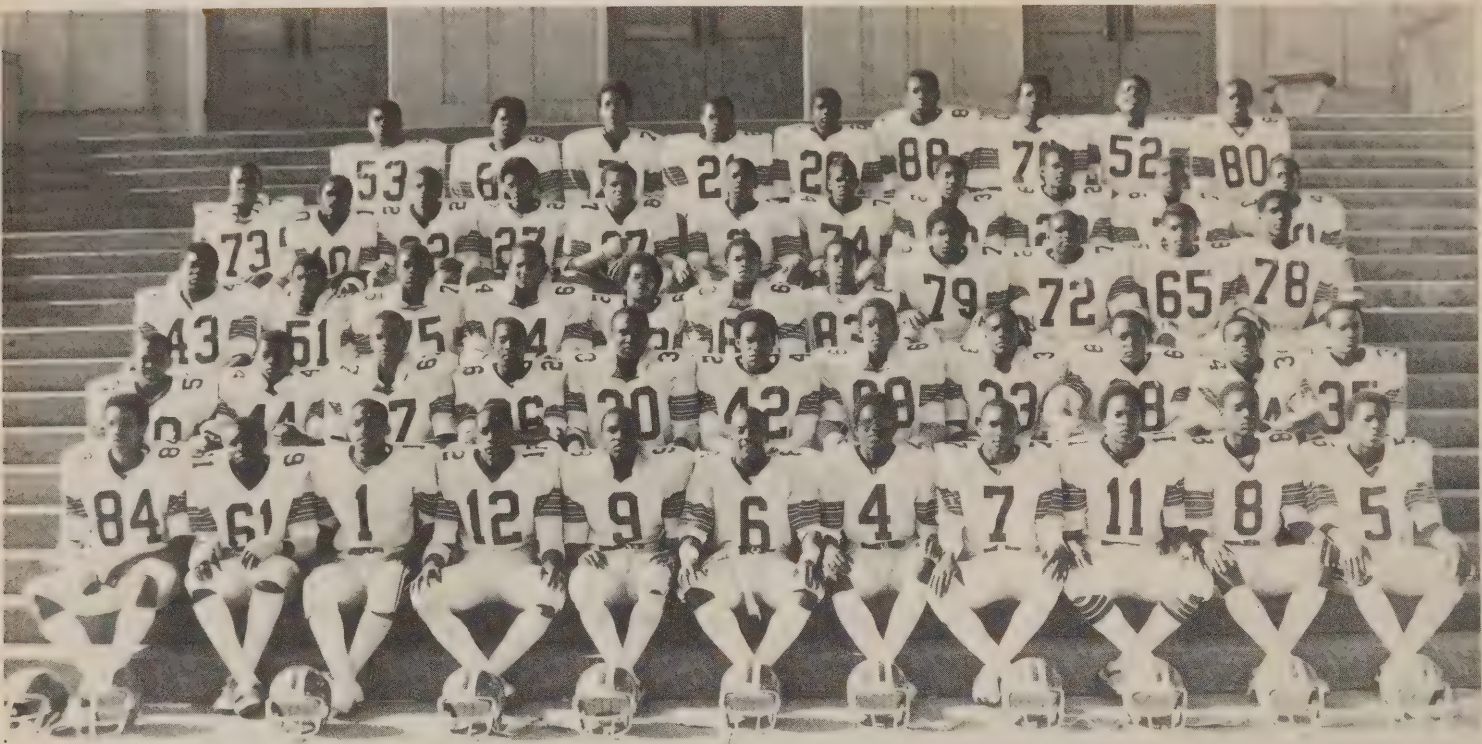

Chubb Smith makes unassisted tackle as he awaits help from Antonio Harper and Quinton Ward.

Clyde Williams returns punt for sizeable yardage.

John Wood takes time out to score 2 points, but led the team in assists with 204 in 20 games.

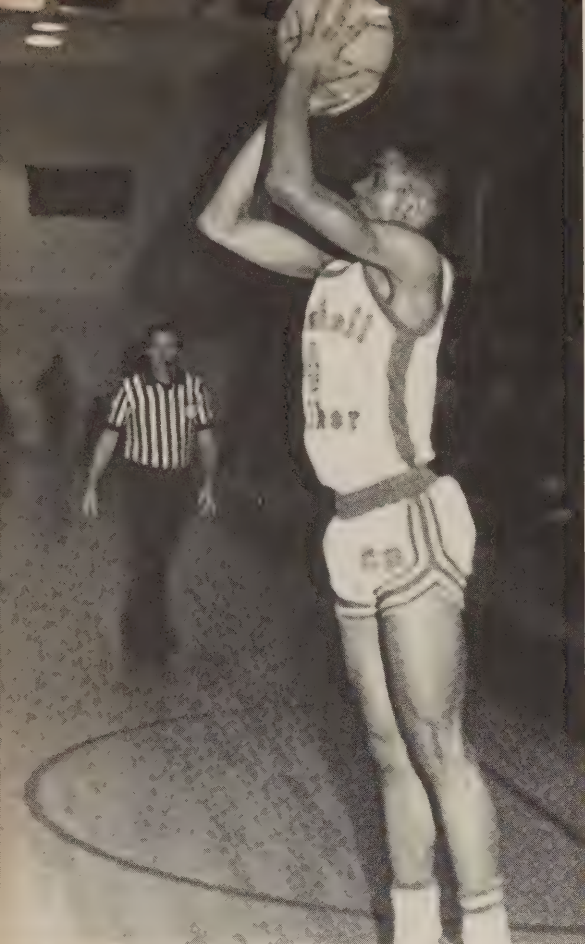

## Controversy Surrounds

Whatever happened to the old saying, "Everybody loves a winner?" Amid cheers and victorious games, the Cavaliers found themselves at season's end in the middle of a city-wide controversy. It appears that most of the teams in the Central District were intimidated by Marshall-Walker, but no one admitted the intimidation was an outgrowth of speed, talent and hardwork on a night when a school scoring record was set. No one gave the record breaker his just dues. Why? Meadowbrook High School's coach and principal tried to make a farce out of a high school basketball game by reacting negatively about it to the press.

WTVR-TV 6 Sports announcer, Rick Haney, stated in his unprecedented commentary, "I have attended M-W games this season merely to see Tim Lewis play basketball and been personally disappointed that Lewis played no more than half the time because of lop-sided scores . . . you do not penalize talent and hardwork that epitomizes a young man like Tim Lewis, who already spends too much time riding the bench because of his superior ability."

This controversy worked in our favor, however, as it only served to bring the two buildings closer together in an effort to protect the new-found, winning reputation of the Marshall-Walker Cavaliers!

# Together, We're Better!

## TOGETHER

by H. R. Fisher, III

Together we'll make it, you and I  
We'll make it together, cause we'll try  
We will learn from each other, as time goes by  
And we're going to make it Together.

### II

Together we'll make it, that's our plan  
We'll make it together, yes we can  
We will learn from each other, working hand in  
hand  
And we're going to make it Together.

### III Bridge

We're gonna make it,  
We're gonna try Together to stand  
With God's help, we're gonna make it  
Yes, we can, yes, we can  
Hand in hand.

### III

Together we'll make it, in har-mo-ny  
We'll make it together, You and me  
We will learn from each other  
Just you wait and see.

### Coda

And we gonna make it  
No one can shake it  
We're gonna make it  
TOGETHER — Yes We Are;  
We're gonna make it  
TOGETHER!

## "I Believe In You"

I believe in everything you do.  
I believe that all our dreams will come true.  
I believe in miracles.  
And I believe in you.

I believe that what you see is what you get.  
I believe we haven't seen nothing yet.  
I believe in love.  
And I believe in you.

After all we've been through,  
I just don't know what I'd do without you.  
You're part of everything that I do.  
I don't care what other people may say.  
I'm gonna love you anyway.  
Cause, I believe in you.

I believe in everything you do.  
I believe that all our dreams will come true.  
I believe in love.  
And, I believe in you.
